International Travel Club

Our IT students had a wonderful trip to Europe over Spring Break! They visited Berlin Germany, Prague Czech Republic, Krakow Poland, and Budapest Hungary. They learned a lot about the history of these places in connection to one another and how those histories have impacted the rest of the world. On average, they walked 10km a day, but made up for the exercise with lots of donuts and trdelnik dessert! Among student favorites were Budapest, Prague, and the visit to Auschwitz Holocaust Memorial.

Principal's Corner

Welcome back from Spring Break. I hope you enjoyed your time with your family. Report cards for JH/SH will be going out on April 15. The parent portal will now be closed but you being part of the learning team, please be in touch with your child's teacher if you have any questions. Student led conferences and interviews will happen on April 17 between 4:00 and 8:30. We hope to see you there.

Semester 2 Fees

Invoices for second semester option fees for junior and senior high students have been emailed or sent home with students. Payments can be made by cash or cheque at the school office or by using our online payment system on the school website. For more information or to make payment arrangements please call Mrs. Robbins at the school.

Next School Council Meeting
Wednesday, April 10, at 7:00pm.
Everyone Welcome!

Basketball Update

Our Mini Dunkers season has come to a close, with them hosting the final tournament on the Thursday before Spring Break. Thank you to all the parent volunteers who helped throughout the season, and who volunteered with the concession food and work. Also, a big thank you to Mrs. Karla Breitzkreuz for coaching, as well as Miss Kerri for helping and Mrs. Schlaut for organizing!

Badminton season is well underway.
Stay tuned for updates.
Go Darls and Dynamos!

Career Counselling

April Newsletter

Positive Uncertainty

Encourage your student to remain focused and flexible! By knowing what they want, but not being too sure, they can test their hypothesis as they learn and grow while remaining open to making adjustments or changes.
