Winter Attire

Parents are reminded that Board policy requires all students who ride the bus to wear (or carry) clothing suitable for the weather conditions. This includes headgear, hand covering and appropriate footwear. Students who arrive at school inappropriately dressed will not be allowed to ride home on the bus until they have proper gear dropped off or are picked up by a parent. This policy also applies to students who ride buses for school sports or field trips.

**Battle River Online Students:
The deadline for submitting assignments
is Monday, January 21st by 9am.**

Basketball Update

Our Basketball season is in full swing, with all of our teams competing in regular league games and tournaments. Our Senior High teams hosted a successful Lloyd Sather Tournament, with the boys taking home silver, and the girls taking home bronze – well done Darls and Dynamos!

Congratulations also goes out to our Junior Darls and Dynamos who competed in Hay Lakes on the weekend, with the girls bringing home gold!

Thank you to our coaches, and to the parents for volunteering to run the concession.

Thank you to Kerri Auburn-Bovencamp, Teena Auburn-Kasha and Karla Borgel for donating the hotdogs for hot lunch this week!

Travel Club Students

Travel Club students are working on finishing up their Travel Module, and will be presenting to their parents in February. If you have an IT student, be sure to ask them how their presentation is coming along! We leave for Europe on March 21, and our first stop is Berlin! Here we will see a lot of history form our World Wars and its aftermath, including the Berlin Wall. We are getting very excited!

Thank You!

Thank you to all the families and individuals for the Christmas treats the staff received in December. Your kindness and generosity are appreciated!

Accountability Pillar Survey Info

As an annual check-up on the education system, the Accountability Pillar provides an opportunity for Alberta Education and school authorities to ensure that we are equipping students for success.

The Accountability Pillar uses a set of 16 indicators. Data on these indicators consists of surveys of students, parents, and teachers on various aspects of education quality, student outcomes such as dropout and high school completion rates, and provincial assessments of student learning.

From January to the end of February, Alberta Education will be conducting the annual Accountability Pillar Survey.

- In January, parents of students in grades 4, 7 and 10 will receive a survey from Alberta Education.
- In February, students in grades 4, 7 and 10 and all teachers will be completing their surveys online at school.

All surveys are anonymous and ask questions about experiences with your school. In addition to English and French, the parent survey is available in Chinese, Punjabi, Arabic, Blackfoot, Dene, Cree, Korean, Spanish, Tagalog, and Urdu.

Your participation in the survey helps provide important information on the quality of education your child is receiving, so we encourage you to return your survey promptly.

Survey results will be available to school authorities in May, and will be reported publicly as part of their 3-Year Education Plans and Annual Education Results Reports.

**Next School Council Meeting is January
23rd at 7:00pm.
Everyone Welcome!**

Yearbooks Are Here!

The 2017-2018 Yearbooks have arrived and they look great! If you missed out on purchasing a yearbook, we still have some available for \$35.00. The yearbook is a great way to memorialize the school year! For more information please contact the school office.

Senior High Exam Week

Exam week permission forms have been sent home with all grade 10 and 11 students. These forms give students permission to leave after they have finished writing exams. Forms must be returned to Mrs. Omoth or Mrs. Robbins on or before Thursday, January 17, or students must remain at the school.
