for junior and senior high.**

**Junior High:** The junior high mathematics  
program requires students to have a calculator,  
starting in Grade 7.

The following keys or functions are recommended  
by

Alberta Education: MC, M+, M-, MR, percent key,  
sign change key (+/-), reciprocal key, square,  
square root, symbols. A basic scientific calculator  
is all that is needed.

It is suggested that expensive calculators **not** be  
purchased due to the possibility of breakage or  
loss.

**Senior High:** Good quality graphing calculators  
are required for all high school 1 and 2 Math  
courses.

**TI 83 Plus or TI 84 Plus is recommended.**

**Before purchasing a calculator, check with  
the Math Dept. at the school or the Alberta  
Education website, as not all graphing  
calculators meet the necessary  
requirements and some advanced  
calculators are not allowed for Diploma  
Exams.**

**Please see other side for all other school supplies**

**These are basic lists. Specific classes/projects may require additional supplies. We encourage the reuse  
of supplies that are in acceptable condition.**
