Principal: Mr. Brad Kyle

Assistant Principal: Mr. Wes Wilson

Dear Daysland School Families,

We are at the official halfway point of the school year. We continue to be grateful for how the staff, students and families have helped us ensure that students continue their learning, whether they are at home or at school. If we continue to stay the course, we will hopefully finish the school year with little to no disruption.

The third quarter will bring some new changes to our schedule. The biggest changes are in Grades 9-12 as they begin new courses. This will result in some minor changes to our Grade 7 and 8 teaching assignments. This is to accommodate teachers that need to instruct high school courses. Junior high students will also be rotating their option courses. There are no changes to our elementary core programming.

In Grade 5, we would officially like to welcome Miss Kierstan Pasychnyk. She has been teaching the Grade 5 class since the beginning of January and will continue with us through the end of April.

Below is a list of secondary grades, the subjects, and the teacher they will have for each course. Please note that students in Grade 11 and 12 that are not taking one of the science courses provided, will have Off-Campus opportunities. If your child has questions, please contact Mr. Kyle or Mr. Wilson.

Grade 7	
Language Arts	Mr. Pastachak
Math	Mrs. McKay
Science	Mr. Pastachak
Social	Mrs. Thomas
PE	Mrs. Johnson
Art	Mr. Pastachak
Industrial Arts	Mr. Kerslake
