

# Career Counselling

April 2022 Newsletter

## Are you registered for your MyAlberta Digital ID yet?

You will need your basic [MyAlberta Digital ID](#) account (two checkmarks ✓✓) to apply for most Alberta post-secondary programs, MyTradesecrets, Alberta Student Funding and Alberta Scholarships.

Inclusive Supports	A Career That's Up in the Air	Tik Tok: Meet with Your Career Counsellor!
<p><b>POST-SECONDARY</b>  <b>Will you require accommodations in Post-Secondary school?</b>            Remember to contact the institution as early as possible to ensure support is in place for the start of your first term.</p> <p><b>Did you know that you may qualify for additional grants for supports &amp; equipment?</b>  <a href="#">Government of Alberta</a>  <a href="#">Government of Canada</a></p>  <p><b>TRAINING FOR WORK</b>            The <a href="#">High School Plus</a> website has a page devoted to training and support.</p> <p>Check out <a href="#">ALIS</a> for tools and resources for individuals with disabilities to find and keep employment. The key to success? Don't get discouraged and build your confidence!</p> 	<p>Flight training as a recreational pilot or as a career-ready commercial multi-instrument pilot is possible in Alberta. Fixed and rotary-wing training centres such as <b>Centennial Flight Centre, Edmonton Flying Club, or Mountain View Helicopters</b> offer training that gets you in the pilot's seat. .</p> <p>For flight training as well as the business side of the industry, <b>Red Deer Polytechnic</b>, in collaboration with <b>Sky Wings Aviation</b>, offers a two-year aviation diploma program earning a Commercial Pilot License and a Management Certificate.</p>  <p>Looking for something else? <b>MacEwan University</b> partners with <b>Transport Canada</b> in a Business Management diploma specializing in aviation while <b>Mount Royal</b> pairs academic credentials with flight training to become a commercial pilot in the Aviation Diploma program.</p>	<p>We want to connect with your high school student for an in-person or remote appointment. Students can email or use the online booking calendar inside their HS+ Google Classroom to make their appointment.</p> <p>Supports provided:</p> <ul style="list-style-type: none"> <li>➔ <a href="#">high school transitions</a></li> <li>➔ <a href="#">high school planning for graduation</a></li> <li>➔ <a href="#">career planning</a></li> <li>➔ <a href="#">get connected to resources like myPass &amp; the High School Plus site</a></li> <li>➔ <a href="#">post-secondary planning &amp; applications</a></li> <li>➔ <a href="#">micro-credentials</a></li> <li>➔ <a href="#">apprenticeship information</a></li> <li>➔ <a href="#">resume &amp; interview prep</a></li> <li>➔ <a href="#">tips to find &amp; keep a job</a></li> <li>➔ <a href="#">scholarship support &amp; how to fund your education</a></li> <li>➔ <a href="#">and so much more!</a> 😎</li> </ul>
