### Calculator Information

**Jr. High** – Students are required to have a **basic scientific calculator** starting in Gr. 7. It is suggested that expensive calculators **not** be purchased due to the possibility of breakage or loss.

**Sr. High** – Good quality **graphing calculators** are required for all high school math courses. Good options are the TI-83 and TI-84.

**Please Note:** These are basic lists. Specific classes/projects may require additional supplies. We encourage the reuse of supplies that are in acceptable condition.
